Quick Start Guide

1. POWER

Ensure your otto hub is plugged in and has power

2. INTERNET

Connect orange ethernet cable to your router

3. HUB KEY

The hub key is required to complete setup. These unique numbers are located on the side of the hub

4. INTSTALL APP

Download on the App Store

GET IT ON Google Play

Open your camera app to scan and download or search for "**Home Otto**" in the app store.
